

New **H O M E** for Aberdare Cables

September 2009

Dear Valued Customer

Please be advised that Aberdare Cables management have made a strategic decision to consolidate their Head Office and Greenhill's operations into one shared facility.

This decision is based upon months of research and falls in line with Aberdare's key objectives of sustaining a globally competitive organisation.

This move will allow the organisation the flexibility for growth and the ability to meet current and future operational requirements. It will facilitate Aberdare's commitment to providing world-class products and service with improved operational efficiencies and access to the latest technology as well as providing a solid platform to address the diverse logistical and technological requirements of our valued clients.

The new premises will be known as "**ABERDARE GROUP OPERATIONS CENTRE**" and will be situated at **181 Barbara Road, Elandsfontein**. The company's postal address will remain unchanged. Our bank details remain unchanged. Telephone and fax numbers are still to be confirmed and a notice will be sent out to you as soon as these have been finalised.

This move will be effective from 19 October 2009. Operations will continue as normal at both facilities until this date.

Our integrity, values and ongoing commitment to providing exceptional customer service remains steadfast. This consolidation is in everyone's best interest and secures sustainable growth and stability.

Should you have any queries regarding this move please feel free to contact Siphithi Sibeko at Aberdare Cables on Tel No +27 11 456 4390 or ssibeko@aberdare.co.za.

We thank you for your valued support and look forward to continuing to provide you with world class customer service in our new home.
